DETAILED ACTION

The preliminary amendment, which included cancellation of claims 1-15 and addition of new claims 16-33, filed on 4/21/2004, is made of record.

Claims 16-33 are pending.

Information Disclosure Statement

References cited in the Information disclosure Statement filed on 4/21/2004, are made of record except for two references related electronic art.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The benzamide compounds, their pharmaceutical composition and the method of use embraced in the instant claims 16-33 was not found to be anticipated or rendered obvious by the prior art of record. Additional search in the related art area also did not yield any prior art disclosing the process embraced in the instant claims.

Therefore, the examiner noted that the claims 16-33 would be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
